Abstract: An abstract should be 300-500 words in English.

Main Text: Candidate is strongly advised to discuss with their supervisor the style of writing of the project report before writing begins. The Stages of investigation and writing are likely to be according to the nature of the subject and should be worked out in consultation with supervisor. However the text should be divided in the chapters and each chapter, headings and subheadings should be numbered like x.y.z.A.B..... where x stands for chapter number y stands for headings and z,A,B... etc. stands for subsequent subheadings. Chapter heading should be edited at centre while heading and subheadings should be edited at left. There should be separated uniformity in headings and subheadings. Main chapter heading should be in capital letters. Each paragraph should be started with the next line of heading and subheadings. The general guidelines for chapters are as follows, references should be quoted by author's name or by S.No.
